NAPLAN
Today, Wednesday and Thursday students in Year 3 and Year 5 will sit NAPLAN. This test will help determine where students are performing in relation to their peers. It is very important your child has the best possible chance to succeed by being here by 9:00am on these days.
You will receive a comprehensive report outlining the results sometime around September or October. The results will also help us to set targets and programs for the following year.

Year 7 2015
Year 7 Expression of Interest Form was due to be returned to school by 21 March 2014, could these forms please be returned ASAP.

Colder Weather
With the weather turning colder this week please ensure your children have warm jumpers and coats to wear outside. Often children get hot and take off their jumpers so remember to write their names on them somewhere. School jumpers can be purchased at Orange Clothing Company for $31.00 and second-hand jumpers can be purchased from the school for a few dollars.

Head Lice
We have had a number of reported cases of head lice at school recently, could all parents or caregivers please check their child’s hair and if you find any eggs or lice please seek advise from your local chemist or the school office and commence treatment as recommended.

Cadia Valley Operations came to see first hand the breakfast program which they support. Children enjoyed being served by Alison Farrar, Andrew Wannan, Melissa Schumacher. Melissa is an ex BPS student so it was fantastic to have her back at her old school. They really enjoyed their time with Mountain Hope church volunteers and our students. Thanks Cadia for your ongoing support, we are grateful for your involvement with our school.

Thank you for participating in the activities this year – it was great to see the children enjoying as well as learning about their region.

The festival is definitely growing in reputation as we saw many visitors coming to the region specifically for some of the activities in the program.

**Next year’s dates – 8, 9 & 10 May 2015**

The Art works looked so lovely displayed at the Orange Region Farmers Market that I’ve asked the Orange City Library to continue to display them for us.

Open Day 2014

Fire & Rescue NSW is hosting its Annual Open Day on Saturday 17th May 2014 between 10.00am and 2.00pm.
Children and their parents are invited to watch fire safety demonstrations, hop aboard our station’s fire truck, hold a fire hose, get an information bag while enjoying a sausage sandwich and chat with firefighters about what they do.
This is a fantastic opportunity for children and their parents to meet their local firefighters and learn about fire safety in the home.
Orange Fire Station will be holding a rescue display where firefighters will be cutting up a car using the “jaws of life” at 10:45am and at 1:15pm during the open day as well as lots of other fun activities.
