Dear Parents/Caregivers

Canteen News
Reminder that students in Kindergarten, year 1 and year 2 are unable to go to the canteen at break times, they are required to fill in a lunch bag at the canteen before school starts in the mornings. Please find attached a copy of our new canteen price list, we will no longer be getting our lunch food from Alpine Stores. Our next meal deal will be on the 28 May 2014 with a cost of $6.00 see attached order form to be returned by 23 May 2014.

NO NOODLES to be brought to the school canteen.

Year 7 2015
Year 7 Expression of Interest Form were due to be returned to school by 21 March 2014, could these forms please be returned ASAP.

Colder Weather
With the weather turning colder this week please ensure your children have warm jumpers and coats to wear outside. Often children get hot and take off their jumpers so remember to write their names on them somewhere. School jumpers can be purchased at Orange Clothing Company for $31.00 and second-hand jumpers can be purchased from the school for a few dollars.

Head Lice
We have had a number of reported cases of head lice at school recently, could all parents or caregivers please check their child’s hair and if you find any eggs or lice please seek advice from your local chemist or the school office and commence treatment as recommended.

Parent’s Workshop

NRMA Science & Road Safety Day
Thursday 29 May at 2.25PM in the School Hall

Our school will be hosting an NRMA Science & Road Safety Day, a new road safety program delivered by NRMA Motoring & Services as part of its commitment to road safety. Our school was chosen to take part in this free program that will visit 100 schools across NSW and ACT and educate 40,000 students.

This program looks at road safety from a science perspective so that children better understand the forces that act on humans when in motion so that road safety messages such as “Wear your seatbelt” or “Wear your bike helmet” become more relevant.

Parents play a vital role in keeping their children safe and so we would like to invite you to a workshop where we will review the key road safety messages that were covered on the day and also learn more about what you can do to keep your children safe on the road.
Bowen school took part in the Food Revolution Day last Friday. Well known chef Jamie Oliver is encouraging us all to keep cooking alive by teaching children where fresh food comes from and why it is good for us. North Orange Woolworths helped us out once again, donating ingredients for all students to make their own salad wrap. To top it off, fruit, a bottle of water and a cookie were on offer. Making it all the more fun, the children were encouraged to exercise before eating with the help of a few friends. A big thanks North Orange Woolies.
Charles Sturt University visited Bowen introducing the Future Moves program. Educators and dentistry students provided school students with information about uni and all it has to offer, helping children to understand their options for later on in life. One of the tasks during the session involved the children creating sentences describing some of the jobs they would like to have one day.
6M science lesson – simple machines. Students designed and created catapults in small groups. The children had to describe things that influenced their design, justify decision making and describe the process which involved exploring phenomena and events. The groups were asked to propose explanations predicting outcomes, testing and modifying the catapults then apply their understanding.
