From the Principal’s Desk

Let’s start with a great big congratulations to Miss Quinn for her brilliant organisation of the Bowen Fun Day that ran on Monday afternoon on the school oval. The event was well attended and was very informative for many of our families. We are looking forward to Montana Scorgie competing at the Western PSSA Athletics Carnival in High Jump on Friday and wish her all the best.

We also send our best wishes with our 3 Dance groups that are competing at the Orange Eisteddfod this Friday. They have been working very hard and it will be great to see them in their live performance. Parents are welcome to attend the Eisteddfod in support of our students. It should be a great show, so go along and cheer if you can.

This week marks the start of Fruit and Veg month and also Environment week. Look for some of the special events in which students are involved. I’m sure there will be lots of photos in the newsletters over the coming weeks.

It has been great to see our students wearing their uniform more frequently. Remember that this is an important part of our school as it develops a sense of pride and belonging in our students. We are looking forward to seeing all of our students in their full uniform as spring comes and summer approaches.

ROTARY CLUB OF ORANGE SUSTAINABLE LIVING WEEK
Two weekend activities to start SLW

SCHOOL KITCHEN GARDEN TOUR:
Saturday, September 13
2.00pm to 5.00pm

*Free bus* - meet at 2pm in the Council carpark opposite the Civic Centre. Those not wishing to take the bus can tag along in their cars.

School Kitchen gardens to be visited: Glenroi Heights, Orange East, Calare, Orange Anglican School.

At each school a member of staff or a volunteer will conduct a guided tour of the garden and talk about how the school’s kitchen garden program contributes to the development and education of the children involved.

CYCLE CINEMA:
Sunday, September 14
Starting at 3.00pm

*Orange Police Citizens Youth Club*
2-10 Seymour Street, Orange

*Gold coin donation*

The movie to be shown is to be “The education of Little Tree”, based on the novel by Forrest Carter.

The movie you will see will be powered by bicycle generated power. Patrons are invited to make the movie happen by taking turns to provide power through the use of four stationary bicycles attached to generators.

An opportunity to see in action an alternative form of energy which is effective and pollution free. Just one of the many alternatives to polluting fossil fuels.
